“ I worked for Conrad over 20 years ago, and he was the best boss I have ever had, He was caring and took the time to train me bringing me from a bookkeeper to an accountant. I am deeply saddened by his departure. Prayers for his family.

“ I am saddened to hear the news. Conrad was my accountant for many years. He was always a joy to work with. He was with us through several moves and the birth of our first child. I was excited to tell him we have another dependent to claim who was born in December. Even though we didn't get to speak to him before his death, I have a feeling he knows. Conrad, rest easy.

“ I'm so sorry to hear the news. Conrad was a wonderful man who did my taxes for over a decade. He was always so nice and caring. I loved how excited he would get over details of his work. He actually made me look forward to tax season so I could chat with him. My condolences to his friends and family.

**AFTERGLOW**  
*I'd like the memory of me  
To be a happy one  
I'd like to leave an afterglow  
Of smiles when life is done  
I'd like to leave an echo  
Whispering softly down the ways*
