“ Franky (how your mom called you) , I worked with your mom for over 10 years and I felt like I knew you just by how your mom would express herself about you and every time she brought you up her eyes would sparkle and she would have the biggest smile on her face. She shared stories of you childhood and You were very loved by her. It seems like you were someone fun to be around and the time I did get to meet you in person you were funny and cheerful 😊 Rest in peace in the presence of Jesus Christ our savior .
