

Dr. Paul Olenski

January 19, 1949 - May 27, 2025

"Paul passed away on the morning of May 27th 2025 in San Diego, California.

He was raised in Ontario, Canada alongside his two older brothers. He moved to Montreal, Quebec to pursue studies in both music and medicine at McGill University. The friends that he made there were life-long and sincere. In this city, he also met his one true love, Dyane. One of his favorite stories to tell was that he was married twice, but both times to the same woman.

Their passion for travel took them around the world and they eventually settled in San Diego, CA in 1983. This is where their two children were raised. He devoted his life to his family, friends, and patients. His knowledge of historical facts was faultless and his humor was unremitting. He had the rare gift of lifting spirits even in the toughest moments.

He is survived by: his wife Dyane, his daughter Klari and son-in-law Matt, his son Stanislas and daughter-in-law Imogen, and his grandchildren Dorothee and Kasimir. He is also survived by his older brothers Frank and John and their respective families.

A funeral mass will be held at Mission San Luis Rey on Monday, June 30th, 2025 at 1:30pm for anyone who wishes to pay their respects. However, please arrive by 12:45pm for the musical prelude. Following the committal service, a

celebration of life reception will be held at Klari and Matt's residence."

“ I am so sorry at the passing of your father. Paul was pretty good to me. I've known the family for many years now after taking Stash to school for a couple of years. That seems like so long ago now. Keep thinking good thoughts and memories. They'll be forever in your hearts. Take care, stay well and again I am so sorry.

“ Paul was a kind and thoughtful person. The light of the party. His body may have ceased to exist but I am sure his spirit will find a way to make everyone know he is still around. Thank you Paul for the fond memories. You have earned your place in the house of our Lord.

“ Paul was the first person I got to know at McGill U. We were watching "Mutiny On The Poopdeck", a 1967 Wayne & Shuster comedy special. That was how we discovered our shared tastes in comedy and classical music. Over the next 15 years we enjoyed each other's company over dinners, concerts, ski trips, etc. He invited me to stand as best man at his wedding (one of the two) and he in turn was best man at mine. After we moved to opposite sides of the continent, we continued to see each other (including respective spouses, siblings, children, friends) albeit much less frequently. The most recent and most poignant visit was in Mtl last Oct.

Paul... RIP. Love from Paul and Susan to Dyane, Stash, Klari, John and Frank.
