

## Susan T. Placito

October 19, 1946 - August 9, 2021

Our beloved, Susan Thousand Placito passed away peacefully on August 9, 2021, at the age of 74 after a courageous battle with ALS. She was surrounded by love and with her dearest Larry at her side. Her exemplary life inspires us to love deeply, serve others and live fully.

Susan was born and raised in Syracuse, NY where she dedicated 45 years to Crouse Hospital as a respiratory therapist committed to helping her patients. The simplest pleasures in life, such as hiking, baking, gardening, and spending time with family and friends brought the greatest joy to Susan. She could often be found exploring the trails of Labrador Pond, perusing the local shops in Skaneateles or enjoying the beautiful, rugged coastline of Maine.

Susan is survived by her devoted husband of 48 years, Lawrence; her loving son, Joel and his fiancée, Paige; her cherished granddaughter, Sophie Jane; her devoted sisters and brothers: Barbara Thousand, Iris Thousand-Dixon, James Thousand, Roderick Thousand, Frederick Thousand and Richard Thousand; and many caring nieces, nephews and cousins. She was predeceased by her parents Robert Thousand, Sr. and Mary Jane Thousand and her two brothers: Jerry Thousand and Robert Thousand, Jr.

Susan will be greatly missed but her zest for life will be remembered long after her passing.
