“ Thomas Keith Shannon was the love of my life . He was kind , funny and a true lover of life . To me he was my baby , my love love, my lulu , my darling , my honey and my darlin bean head. We had a crazy relationship where one minute we'd be trying to outdo one another with wild insults to the next minute where we would be laughing our rears off. From the minute I first saw Tom I fell in love and I never stopped loving him even still today. I used to say that I loved him from the top of his head to the tip of his ankles. His feet , not so much. 😭 Anyways , no matter what Tom was then and still is now , my guy . I miss him so much that some days I feel like I'll never make it thru another day and then I wake up and I go thru it all over again. He will forever be my baby.
